Met with Andrew today and went over degree plan. He attended UI Bound and got registered for CS. He is currently in POLS so he will contact admissions and change major. He has ISU/CEI/CSI transcripts that need to be posted; he will check to make sure that he requested official. He filled out the consent to release student information and emailed form to UI. He and I will meet once all of his transcripts are posted and degree audit is updated. ~DCaudle	06/16/2021	Caudle, Debra J
